COMPANY PROFILE

Founded By Pradeep Hatte

PRESENTATION

WELCOME TO OUR COMPANY

Pratiksha Industries is a trusted manufacturer of cable trays, earthing materials, and instrumentation fittings. With a focus on quality, innovation, and customer satisfaction, we deliver reliable solutions to meet industry needs.

Our products include perforated, ladder, raceway, wire mesh, and junction box cable trays in Pre-GI, Hot Dip GI, MS, SS, Aluminium, Powder Coated & Painted, and FRP, along with earthing and instrumentation fittings.

Certified with ISO 9001:2015, we ensure durability and superior performance. Backed by advanced technology and a dedicated team, we provide tailored solutions for diverse requirements.

Pratiksha Industries – Delivering Quality, Ensuring Reliability!

PRESENTATION

VISION & MISSION

Vision

Empowering a connected world, Pratiksha Industries envisions a future where innovative cable management solutions enable industries to thrive, sustain, and grow. To be the global benchmark for cable management excellence, empowering industries to reach new heights.

Mission

Driven by excellence and customer-centricity, our mission at Pratiksha Industries is to design, manufacture, and deliver world-class cable management solutions that exceed industry standards, foster long-term relationships, and contribute to the success of our customers.

PRESENTATION

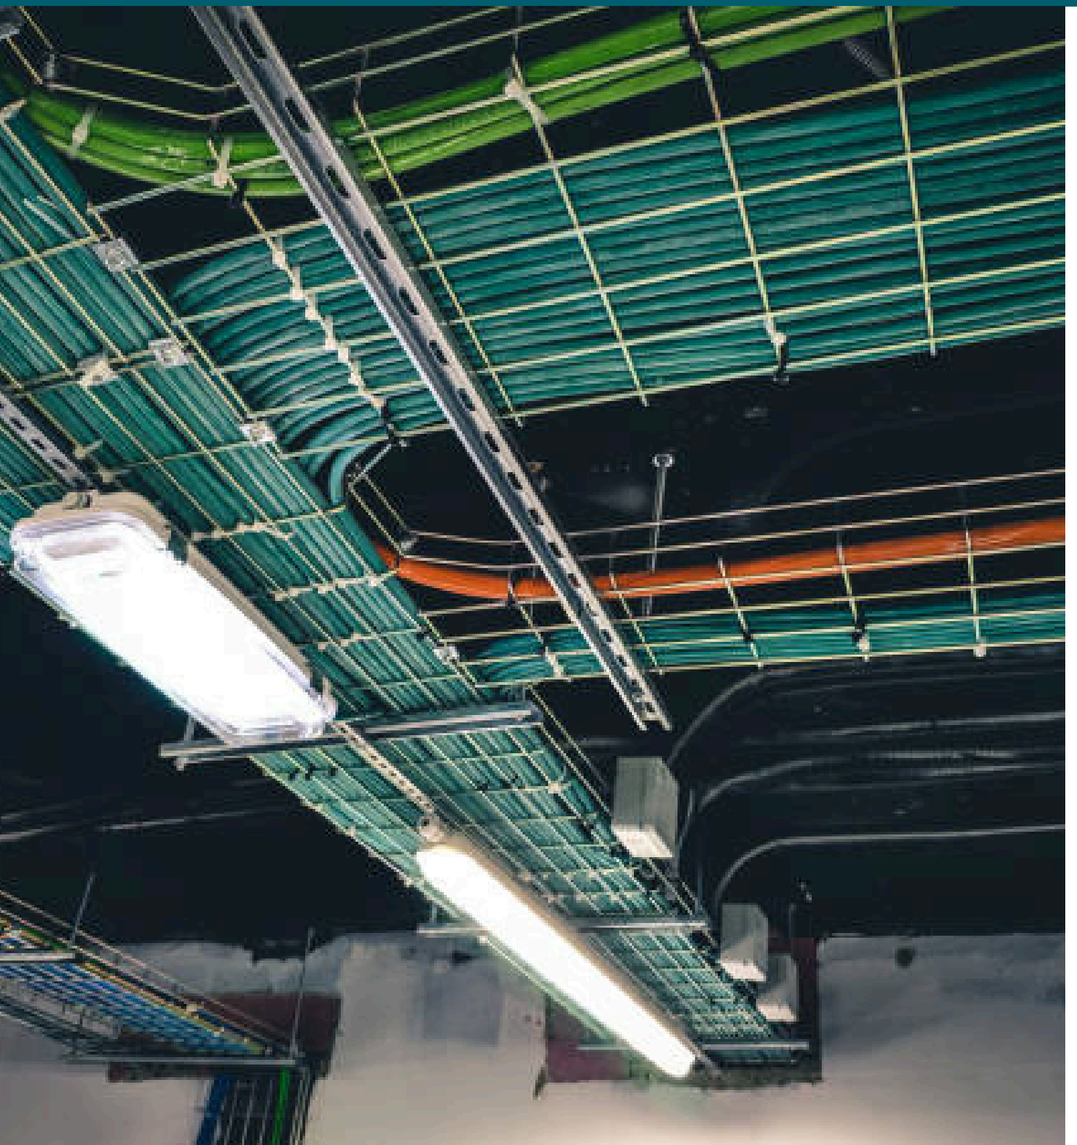

WHY CHOOSE US?

Quality that speaks. Precision that lasts. At Pratiksha Industries, we blend innovation, expertise, and cutting-edge technology to deliver high-performance, precision-engineered solutions. With a skilled workforce, state-of-the-art manufacturing, and uncompromising quality control, we ensure every product exceeds industry standards.

We don’t just meet expectations—we set new benchmarks. From customized solutions to timely deliveries, our commitment to excellence, reliability, and customer satisfaction makes us the partner of choice for those who demand the best. Choose Pratiksha Industries—where quality meets trust.

OUR PRODUCT RANGE

- Cable Trays: Perforated, Ladder, Raceway, Wire Mesh, and Junction Boxes for efficient cable management.
- Cable Tray Accessories: Clamps, brackets, bends, tees, reducers, covers, and couplers for seamless installation.
- Earthing Solutions: High-performance earthing rods, strips, plates, and grounding accessories for electrical safety.
- Instrumentation Fittings: Precision-engineered cable glands, junction boxes, conduits, clamps, and fasteners for secure connections.

At Pratiksha Industries, we deliver superior-quality, high-durability, and precision-crafted solutions tailored to industrial, commercial, and infrastructure needs.

PRESENTATION

INDUSTRIAL EQUIPMENTS

Cutting Machine

Precision cutting of metal sheets and rods using advanced shearing, plasma, and laser technology for optimal efficiency.

Bending Machine

High-precisrication.ion metal bending with press break and hydraulic machines, ensuring strength and accuracy in fab

PRESENTATION

INDUSTRIAL EQUIPMENTS

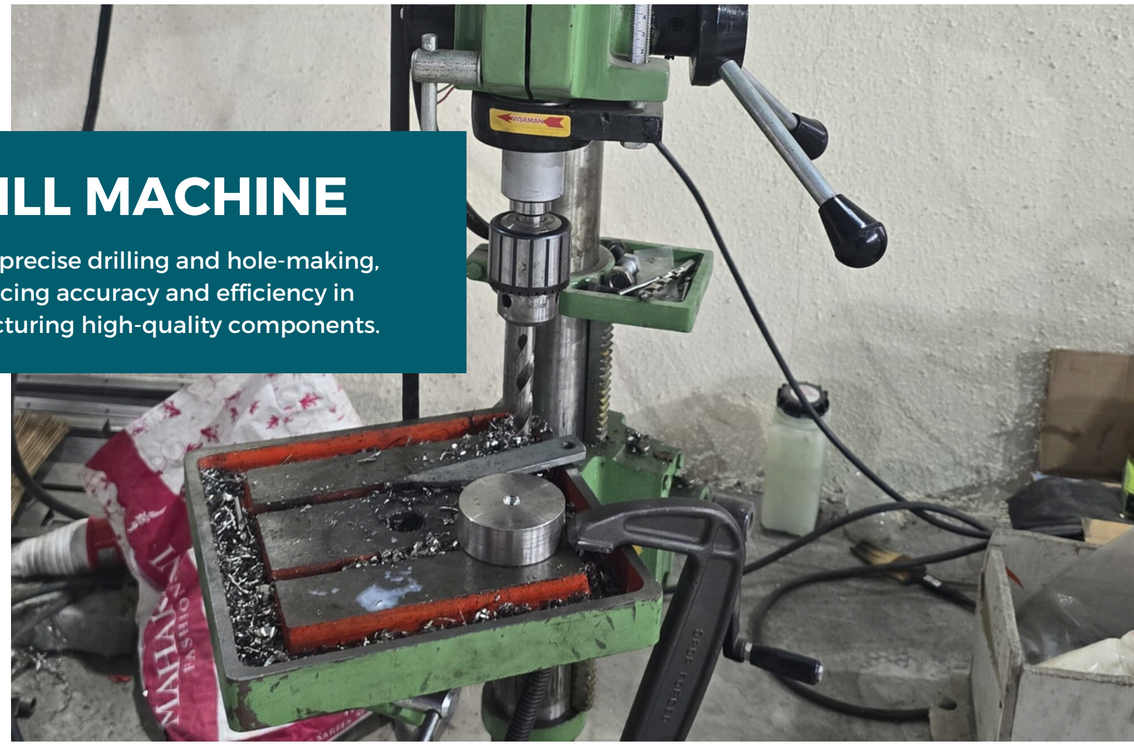

POWER PRESS

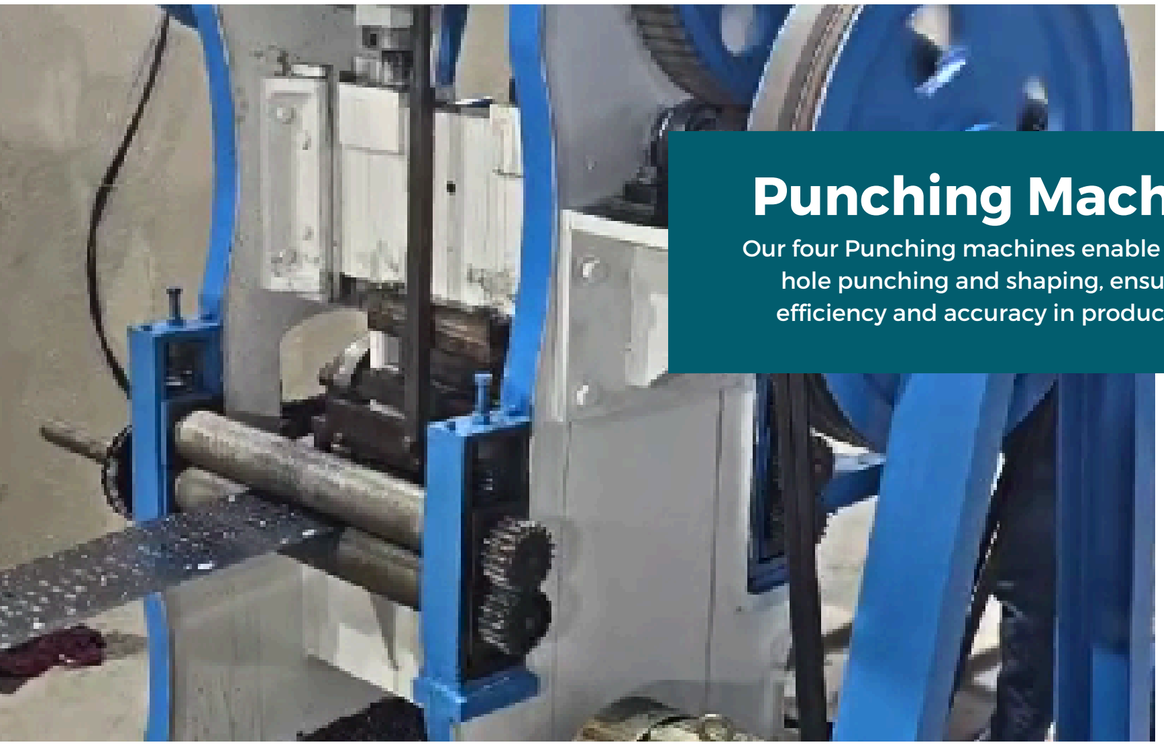

Equipped with four Power Press machines, enabling precise cutting, punching, and forming for efficient, high-quality production.

DRILL MACHINE

Ensures precise drilling and hole-making, enhancing accuracy and efficiency in manufacturing high-quality components.

INDUSTRIAL EQUIPMENTS

Punching Machine

Our four Punching machines enable precise hole punching and shaping, ensuring efficiency and accuracy in production.

CO2 WELDING

Equipped with two CO2 Welding Machines, ensuring strong, precise, and high-quality welds for durable and reliable products.

PRESENTATION

QUALITY ASSURANCE

At Pratiksha Industries, quality is our top priority. Our robust quality control process ensures that every product meets the highest standards before reaching our customers.

CERTIFIED STANDARDS

We adhere to international certifications like ISO 9001, ensuring the highest level of quality

RIGOROUS TESTING

Every product undergoes thorough inspection and testing, from raw materials to final production.

CONTINUOUS IMPROVEMENT

We constantly enhance our processes through feedback, ensuring products are reliable and durable.

CUSTOMER SATISFACTION

We maintain a commitment to delivering only the best, fostering trust and long-term relationships with our clients.

PRESENTATION

INFRASTRUCTURE & FACILITIES

At Pratiksha Industries, we operate from a 15,000 sq. ft. facility, ensuring efficient manufacturing and seamless operations.

MANUFACTURING

Advanced machinery for precise and high-quality production.

CORPORATE OFFICE

A dedicated space for administration, sales, and customer support.

WORKFORCE

A skilled team of 25-30, from directors to labor, ensuring efficiency and quality.

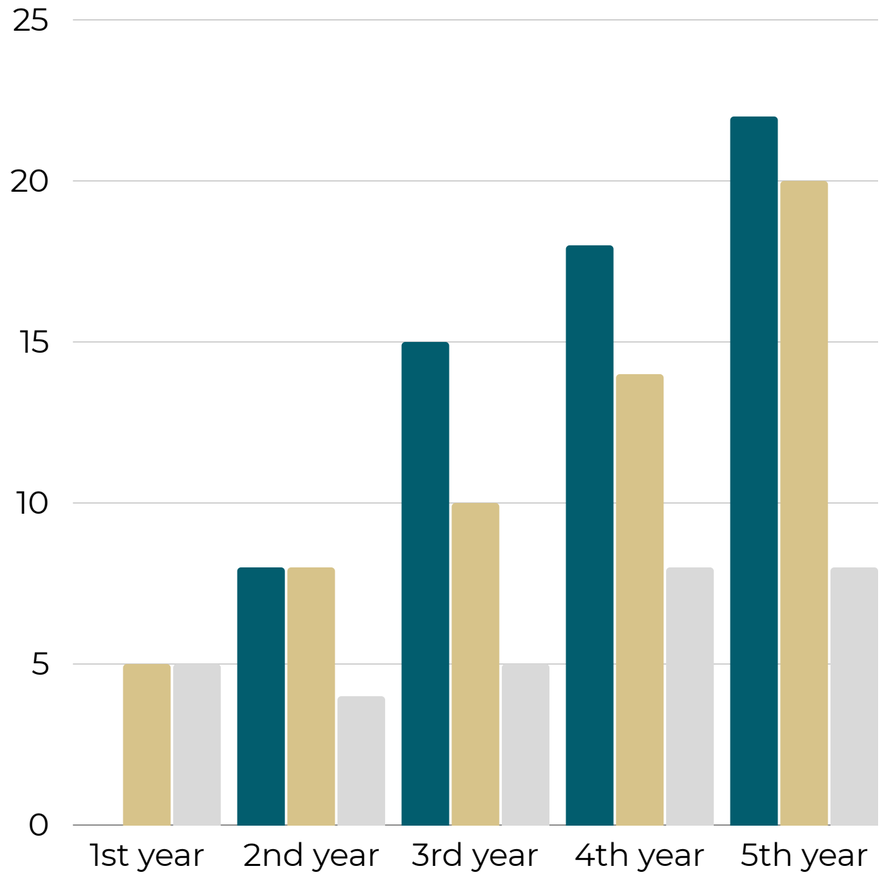

SUPPLY CHAIN

Well-managed logistics ensuring timely product dispatch.

TARGET FUTURE

Pratiksha Industries aims to become a leading global cable tray manufacturer. Short-term goals include expanding product offerings, enhancing manufacturing, and achieving quality certifications. Long-term objectives focus on increasing market share, exploring international markets, and achieving sustainability.

OUR FOUNDER

Mr. Pradeep Hatte is the soul of Pratiksha Industries, bringing over a decade of expertise in manufacturing cable trays, earthing materials, and instrumentation fittings. His journey is built on hard work, passion, and an unshakable commitment to quality, ensuring that every product reflects precision, strength, and reliability. For him, business is not just about manufacturing—it's about trust, relationships, and making a difference. With a deep sense of responsibility and dedication, he strives to deliver excellence, create lasting bonds with customers, and build a legacy that stands strong for generations. His hands-on approach and attention to detail ensure that every solution is crafted with care and perfection. Under his leadership, Pratiksha Industries continues to grow, earning the trust of clients through exceptional service and uncompromising standards.

OUR CURRENT PROJECTS IN 2025

01

OPERATIONAL EXCELLANCE:
Expanding production capacity and optimizing processes to enhance efficiency, reduce lead times, and meet growing industry demands.

02

UNCOMPROMISING QUALITY:
Strengthening quality control measures to deliver highly reliable, durable, and precision-engineered products that exceed industry standards.

MATERIAL OPTIONS TO SUIT YOUR NEEDS

Pratiksha Industries offers cable trays in a variety of materials:

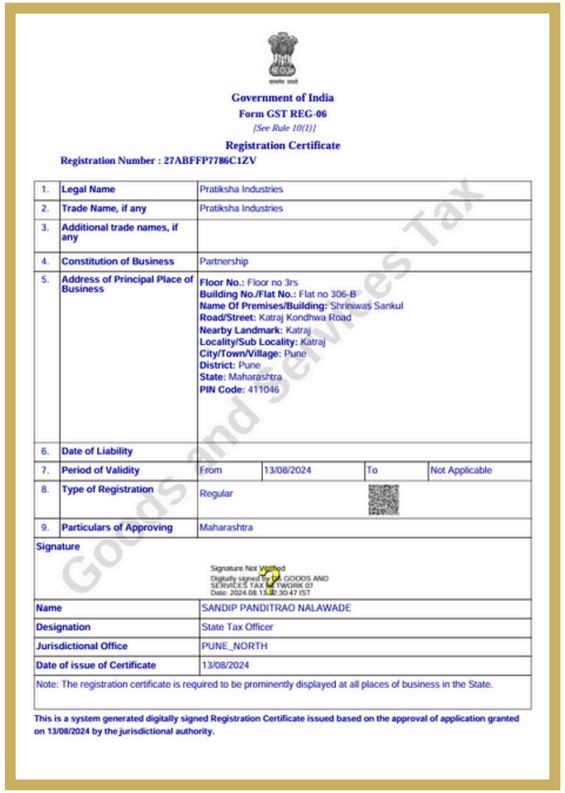

- Pre-Galvanized (Pre-GI): Provides excellent corrosion resistance for outdoor applications.
- Hot-Dip Galvanized: Offers superior protection against harsh environments.
- Mild Steel (MS): Cost-effective and versatile for various applications.
- Stainless Steel (SS): Ideal for corrosive environments and hygienic applications.
- Aluminum: Lightweight and corrosion-resistant, perfect for indoor and outdoor use.
- Powder Coated and Painted: Available in various colors for aesthetic and functional purposes.
- FRP (Fiber Reinforced Plastic): Non-conductive and resistant to chemicals, ideal for hazardous environments.

PRATIKSHA INDUSTRIES

QUALITY POLICY

At Pratiksha Industries, we are dedicated to manufacturing and delivering superior-quality cable trays, earthing materials, and instrumentation fittings that meet the highest industry standards. Our commitment to excellence is driven by a customer-centric approach, continuous improvement, and strict adherence to quality, safety, and regulatory requirements.

Our Quality Commitment:

✓ Customer Focus – We strive to understand and exceed customer expectations through reliable and efficient solutions.

✓ Stringent Quality Control – Every product undergoes rigorous quality checks to ensure compliance with national and international standards.

✓ Process Excellence – We continuously improve our manufacturing processes, leveraging the latest technologies and best practices.

✓ Regulatory Compliance – We adhere to all relevant industry regulations, ensuring safety, durability, and reliability in our products.

✓ On-Time Delivery – We emphasize efficient production planning and execution to meet deadlines without compromising quality.

✓ Sustainability & Safety – We integrate environmentally responsible practices and maintain a safe, ethical, and productive workplace.

At Pratiksha Industries, quality is not just a benchmark—it is the foundation of our business.

Manufacturer Of All Types of Cable Tray : Perforated, Ladder, Raceway, Wire Mesh, Junction Box (Pre Gi, Hot Dip Gi, MS, SS, Aluminium, Powder Coated & Painted), Earthing material and instrumentation fittings with All Accessories of Cable Tray

YOUR COMPLETE CABLE TRAY PARTNER

To complement our comprehensive cable tray systems, we offer an extensive range of accessories designed to enhance functionality, flexibility, and ease of installation. Our accessories include:

- Bends: Precision-engineered for smooth, efficient routing of cables around corners and obstacles.
- Tees: Enabling effortless creation of branch connections, our tees simplify cable distribution and management.
- Crosses: Designed for intersecting cable runs, our crosses ensure seamless integration and organization.
- Reducers: Facilitating smooth transitions between different tray sizes, our reducers eliminate potential bottlenecks.
- Supports: Robust and reliable, our supports provide secure mounting and suspension options for cable trays.
- Clamps: Easy to install and adjust, our clamps securely fasten cables to the tray, preventing damage and reducing maintenance.
